

WASHINGTON ASSOCIATION OF COMMUNITY
AND TECHNICAL COLLEGES

BOARD OF PRESIDENTS

January 25, 2017

We the 37 chancellors and presidents of the Washington State Community and Technical Colleges support the Cradle Through College Coalition principles and its work with the Washington state Legislature to increase state investment in early learning through higher education. We support investment as a continuum from quality early learning through world class higher education. As a state, we need to close opportunity gaps and improve educational outcomes. Together we can make Washington the envy of the nation when it comes to education – Cradle to College.
